# How to Calculate 2016-2017 Build Your Own Symphony Order

## STEP 1: Determine Number of Concerts to Attend

A minimum of three concerts from the list below are required to utilize the *Build Your Own Symphony* option.

## STEP 2: Determine Desired Seating Section

Utilizing the maps on the reverse side, determine which colored seating section is desired.

## STEP 3: Choose Your Concerts

Use the table below to make your concert and date selections applying the following price structure:

| <u>Pricing Zone</u>                           | <u>Single Ticket Price</u> | <u>10% discounted price</u> |
|---|----------------------------|-----------------------------|
| Green Section Seating:                        | \$30.00                    | \$28.00*                    |
| Red Section Seating:                          | \$45.00                    | \$41.50*                    |
| Gold Section Seating: ( <i>Hemmens Only</i> ) | \$65.00                    | \$59.50*                    |

\*Includes city ticket tax

|               | Concert Name and Date Selection<br><i>(be sure to mark your choices)</i>                              | # of<br>Tickets<br>Needed |   | Discounted<br>Price Per<br>Ticket |   | Total Due Per<br>Concert |
